Rail transport in Ireland

Until 2020 Russian Railways plans to put into operation the high-speed rail sections linking 1. TRANSPORT Under the Conservatives, transport in Britain is being transformed.

Towards a System of Systems Concepts

We have given the police stronger powers to deal with racial hatred.

BAILII

The Prime Minister gave full and immediate support to President Yeltsin in the August coup attempt, and was the first Western leader to visit Moscow after the coup failed. The Chairperson: I appreciate that.

Future of Northern Ireland Economy

We insisted that we should retain our power to stop the export of live horses. Other parties promise the earth. Although the Department has emphasised that this is not an actual increase in leakage, the fact remains that it has been under-reported for a long time.

Northern Ireland Assembly Public Accounts Committee

Foyt makes history on Goodyear tires, winning his fourth Indianapolis 500.

Towards a System of Systems Concepts

The world recession has been tough for all of us, at home and abroad.

Home

We will continue to honour our commitment to the 1951 UN Convention, and give refuge to those who reach our shores with a well-founded fear of persecution.
