### Timeline of the History Of The Church Of Christ

The last and most severe persecution organised by the imperial authorities was the , 303—311. Each of us is responsible to know what the Scripture says and to live by it.

### Timeline of the History Of The Church Of Christ

Another patriarch of the , Gregory Abulpharagius or , Maphrian i. The sixteenth century, next to the apostolic age the most fruitful and interesting period of church history, is the century of the evangelical renovation of the Church, and the papal counter-reform. Zwingli elevated the teaching of observing God's Will.

### A Brief History of the Church

From Luther to the Treaty of Westphalia. The literature may be found in recent manuals, e. At the end of the 19th century, leaders and workers were divided over this principle.

### Periods of Church History.

This latter method is, however, somewhat too mechanical and superficial, and in the case of lengthy periods it becomes difficult to retain a clear grasp of the facts and to appreciate their interconnexion. The movement destroyed much of the Christian church's early artistic history. Finally, after a selection of special subjects from the entire mass of material especially of the internal history of the Church , these are separately investigated and treated.
