CiteSeerX — Citation Query Social Pressures in Informal Groups: A Study of Human Factors in Housing.

There is a relationship between physical environment and human interactions. Some people are considered as attractive because they are easy to access, are exposed to the other frequently and have high probability of continued interaction. Not coincidentally, this led to the involvement of St.

Social pressures in informal groups (1950,1963 edition)

In a science that has not established its foundations, there are the things that bes repay study.

Description: Social pressures in informal groups

He continued to work until his death on February 11, 1989, from liver cancer.

[PDF] Social pressures in informal groups : a study of human factors in housing / by Leon Festinger, Stanley Schachter and Kurt Back

Advances in Experimental Social Psychology, 22:175—210. In the meantime, mathematician Frank Harary was recruited at Michigan, bringing graph theory to what eventually became the network world.
