'REDGAUNTLET'

Why the deuce should you not be sitting precisely opposite to me at this moment, in the same comfortable George Inn; thy heels on the fender, and thy juridical brow expanding its plications as a pun rose in your fancy? And so he ought; but, nevertheless, his purse should be always open as long as there is anything in it, to relieve the necessities of his friends and adherents.

Redgauntlet

The style of the first half, in letters between the staunch friends who drive the plot, set the scene clearly and move the action forward without too much maundering, Scott's usual failing. Do not think you will meet a gallant Valentine in every English rider, or an Orson in every Highland drover. Oh, and Lillas has dark hair, which Scott doesn't tell you until the end just in case you're hung up on that point as me.

Brewer's: Redgauntlet

His shirt was without ruffles, and tied at the

collar with a black ribbon, which showed his strong and muscular neck rising from it like that of an ancient Hercules. A long tract of darkness overshadowed the subsequent life of a man who, in his youth, showed himself so capable of great undertakings; and, without the painful task of tracing his course farther, we may say the latter pursuits and habits of this unhappy prince are those painfully evincing a broken heart, which seeks refuge from its own thoughts in sordid enjoyments.

Redgauntlet by Walter Scott

Then will I step forth, Alan, and in a character which even your father will allow may be more useful to you than had I shared this splendid termination of your legal studies. I was disappointed of the opportunity which I watched for of giving some gratuity to the domestics, as they seemed to be.

Redgauntlet: A Tale of the Eighteenth Century by Walter Scott

It was a high sense of his own importance, and an obstinate adherence to what he had once determined on—qualities which, if he had succeeded in his bold attempt, gave the nation little room to hope that he would have been found free from the love of prerogative and desire of arbitrary power, which characterized his unhappy grandfather. Our editors update and regularly refine this enormous body of information to bring you reliable information. Yet his dress was not in the present taste, and though it had once been magnificent, was now antiquated and unfashionable.
