## Les Sumériens

Here, several tokens carry patterns referring to the maritime nature of the settlement.

## 21 WIT' A BLACK CARD: August 2010

Dating back to year 1031, this Medieval castle passed through different noble families who enriched it.

## Roman Empire

Long distance destinations are accessible from the nearby Gare de Saint-Raphaël-Valescure. A central casting channel and branches are visible.

## Menhir à Port Louis

Les chariots sont tirés par des onagres ânes de grande taille. Although there are only few traces of a settlement at that time, it is known that the poet was born there in 67 BC. Tokens referring to the imperial family were also created by other groups, likely on the occasion of a festival connected to the emperor.

## Le Cordon des Druides dans la forêt de Fougères

When one considers the corpus of tokens from the ancient world as a whole, they are a rich source of evidence for local culture, ideology, identity, imagery, events and groups.

## Roma antique

Bien que partageant une même culture, les premières cités-États sumériennes forment de petites entités politiques indépendantes et souveraines. Figure 1: Side A: C·A·V between two palm branches.

## **21 WIT' A BLACK CARD: August 2010**

But you might have to be quick: Venice is sinking five times faster than originally thought, according to a report last year. Como obligationes on pote citar: le servicio militar, e le deber de contribuir con certe al sustenimento del Stato.
