Lightning book by Ed McBain

At the core of all of the books are Carella, Meyer, Kling and company, in the squad room and on the streets, finding the bad guys and girls and keeping the residents of their section of Isola as safe from harm as they possibly can through the application of police process, procedure, dogged determination and the knowledge that luck and coincidence can be good friends to the detective.

The Magic of Ed McBain's 87th Precinct < CrimeReads

He would say that he was Corey Mcyintre from Sports USA.

Ed McBain's 87th Precinct: Lightning (TV Movie 1995)

The series features Peter McGarr, a police detective based in Ireland as the lead character. This provided one of the key justifications for setting the stories in a fictional city—he would not have to slavishly adhere to the reality of the police work.

Lightning (87th Precinct, #37) by Ed McBain

That's another thing - since McBain is a new-to-me author, I have not yet gotten the rhythm of his writing.

Ed McBain

A real stretch for McBain, imo. This one is probably my favourite book within this genre.

Ed McBain

The series ran for over 50 books with Fiddlers published in 2005 marking the last installment in the series.

Did Hill Street Blues Rip Off Ed McBain's 87th Precinct Series? < CrimeReads

There are plenty of others who appeared in both, including Gena Rowlands and Leonard Nimoy and fans of one show would probably enjoy the other. . I like it because I think the story is very well constructed and very logical.

87th Precinct

I like it because I think the story is very well constructed and very logical. With the release of the twenty-first book in the series, *Eighty Million Eyes*, in 1966, the 87th Precinct turned ten years old.
