## Bhutan

However, the society did not pay keen attention to the great contribution of women to the growth of the society and this has gone a long way to dampen their morals and make their effort fruitless Ohiza, 2011.

## Demographics of Bhutan

Watered by snow-fed rivers, alpine valleys in this region provide pasture for livestock, tended by a sparse population of migratory shepherds.

### **Bhutan Home**

The first democratically elected Parliament of Bhutan 2008-13 had eight elected women four in the NA and four in the NC. The Bhutanese government since then enforced the law of national attire to be worn in Buddhist religious buildings, government offices, schools, official functions, and public ceremonies aimed towards preserving and promoting the national identity of Bhutan. The Ngalops primarily consist of Bhutanese living in the western part of the country.
