## CONCEPTS IN FEDERAL TAXATION WEB QUIZ SOLUTIONS

University of Santo Tomas — AMV College of Accountancy 2010- 6213 Arellano University School of Law 2011- 0303 Transfer of Property Rights Taxes become part of the public funds No transfer but only restraint in its exercise Transfer in favor of the State Scope All persons, property and excises All persons, property and privileges Only upon a particular property Who exercises the power Only by the government and its political subdivisions Only by the government and its political subdivisions May be by 1 the government or its political subdivisions OR 2 public service companies or public utilities granted with such power. The court observed that in case of non-resident one has to judge whether the income accrued or arise in India has been outside India. As such, income earned by non-residents and aliens are not subject to tax in the Philippines unless they are earned herein — here the subject of the tax is the income.

### Franklin

Substantive due process: requires that assessments must not be harsh, oppressive or confiscatory; it must be made under authority of a valid law; and must be imposed within the territorial jurisdiction of the State. The taxes that you pay depend on your adjusted gross income line 4 , which is the income you receive from a variety of sources the main components noted on the return are wages, interest income, and unemployment compensation. Examples of local or municipal taxes are: 1 Community tax; 2 Municipal licenses taxes; 3 Professional tax; and 4 Real estate tax.

### Concepts of Taxation

The Rosetta Stone, a clay tablet discovered in 1799, was a document of new tax laws decreed by the Ptolemaic Dynasty in 196 B.

### Taxation Definition

Therefore the prime purpose that is believed of taxation is to be revenue.

### Taxation Definition

Taxation has emerged from a practical financial issue to one with myriad political and social implications. Between 1817 and 1861, the federal government collected no internal revenue. It may involve selling, servicing, leasing, borrowing, mortgaging or lending.

## **What is the Purpose of Taxation**

The present article is articulated especially for the beginners who are planning to indulge in the practice of taxation laws.

### **Concept of taxation : a comprehensive view**

Such taxes, fees, and charges shall accrue exclusively to the local governments.

## **What is the Purpose of Taxation**

The execution of the goods and services act, plays an important role in the determination of India as a federal state wherein the Central Goods and Services Tax CGST and Integrated Goods and Services Tax IGST is paid to the Union and State Goods and Services Tax SGST is paid to the state. Moreover, when one state enters the territory of another, there is an implied understanding that the former does not intend to degrade its dignity by placing itself under the jurisdiction of the latter, note that a foreign state cannot be sued without its consent, thus it would be useless to impose or assess a tax which cannot be collected. The tax rates to be inflicted on the society are also changeable on multiple grounds.
