Site Author: John Lamb Lash

The Content of the Form is a collection of essays by White.

## Hayden\_White\_bibliography

I: From the Italian Renaissance to the French Revolution. According to Edwards, who has maintained a noble composure in the face of Wilber's repeated slights, The student courageously tried to summarise 50 pages of reasonably tight argument in a few words. Doing so, it touches on the powerful archetype of the Lovers exemplified in the medieval legend of Tristan and Isolde.

## Hayden\_White\_bibliography

Structuralists as or have used mostly an opposition between the first two of them but White refers to an earlier classification, adopted by and contrasts metaphor with irony. PHW considers itself as a pluralistic debate journal, contributions to discussions are very welcome. Included with these books and archives are full publication rights to four out-of-print : The Seeker's Handbook, Twins and the Double, The Hero, and Quest for the Zodiac.

## John Lamb Lash

Meta-historical reflection is defined broadly as including the traditions of so-called substantive philosophy of history and critical philosophy of history as well as more general reflections on the social relevance of history. Responding to the work of Hayden White, Arthur Danto, and Hans-Georg Gadamer, he examines such issues as the difference between historical representation and artistic expression, the status of metaphor in historical description, and the relation of postmodernism to historicism.

## Metahistory Research Papers

Author: Publisher: ISBN: NWU:35556026779652 Category: History Page: View: 659 These early books must have been indispensable to White , for the vast reading and deep meditation that went into their writing shine forth in the erudition of Metahistory , a book clearly seminal for its time. The Contextualist approach is a mixture of Formism and Organism and seeks to isolate historical units before connecting them to their wider

background. Bergner, The Origin of Formalism in Social Science.

### **Hayden White**

White is simply suggesting that the historian is unable to represent these without resorting to techniques that add a fictional element. The New York Times March 9, 2018, last accessed: May 7, 2018.
