### The New Media's Role in Politics

While social media can be used to raise donations, several candidates focused on using it to promote their own campaign.

### A digital rights agenda for 2021 and beyond

Pence offered his on the riot during his speech Thursday night.

### Trump Versus Clinton: Twitter Communication During the US Primaries

Political Research Quarterly, 54 1 , 53—67. These misguided initiatives will serve to undermine the security and privacy of the citizens they are supposed to protect. The most notable development in 2008 was the use of social media, such as Facebook, and video sharing sites, like YouTube, for peer-to-peer exchange of election information, campaign organizing, and election participation.

### How Social Media Is Shaping Political Campaigns

The diversity of content disseminated by new media has created opportunities such as the ability for more voices to be heard.

### Top House Democrat says party would lose elections if they were held today: report

New Media and American Politics. Countering outright lies by public officials has almost become an exercise in futility, even as fact-checking has become its own category of news.

### New Media and Political Campaigns

Voters, MySpace, and YouTube: The impact of alternative communication channels on the 2006 election cycle and beyond. United States: Internet and elections.
