

Many countries depend on international trade for their food security, so we need to move toward a global system that is fair, competitive, and contributes to a dependable market for food. Garden Center Magazine It is the policy of the Purdue University that all persons have equal opportunity and access to its educational programs, services, activities, and facilities without regard to race, religion, color, sex, age, national origin or ancestry, marital status, parental status, sexual orientation, disability or status as a veteran.
