Bwletin Archifau a Llyfrgell Cofnod Henebion Cenedlaethol Cymru

The diminution east to west is again apparent, with the exception of Bangor which demonstrates the impact of urbanization.

Gwnewch Bopeth Yn Gymraeg': Yr Iaith Gymraeg A'i Pheuoedd 1801

Llawlyfr Undeb Gogledd Ceredigion, 1955; Braslun hanes Eglwys Annibynnol Gogledd Ceredigion, Undeb yr Annibynwyr Cymraeg London Transport, 1969, London's industrial archaeology, London Transport, London. Indeed, it is hard not to reflect on how radically different things might have been had he not fashioned such a scintillating and timely polemic.

Bwletin Archifau a Llyfrgell Cofnod Henebion Cenedlaethol Cymru

However, as might be expected, given the westerly location, the proportions were a little higher than those along the north coast. Report and Tables London, 1853 PP 1852—3 LXXXIX, Tabl B.

Prifysgol Aberystwyth

From this a general Welsh resentment of the in-migrant English was derived which cut across class barriers. There are, therefore, two different labour markets for different class locations. Most of Welsh-speaking Wales showed population decrease by migration loss.

Let's Do Our Best for the Ancient Tongue: The Welsh Language in the Twentieth Century (University of Wales Press

It should be noted that the anomalously lower proportion for Caernarfonshire in 1921 was a reflection of the June date of the census — a factor of some significance in a county with an emerging tourist industry, most notably in the Creuddyn peninsula. Monmouthshire, too, stands out on its own, but only because Blaenau Gwent matched Glamorgan and the Vale of Gwent matched Radnorshire.
