The Columbia Documentary History of Religion in America Since 1945

By the end of the century, everything had changed. The documents are grouped by theme into nine chapters and arranged chronologically therein.

The Columbia documentary history of religion in America since 1945 (2005 edition)

Shaw An excellent teaching resource.

The Columbia Documentary History of Religion in America Since 1945 on Apple Books

Identifying the major trends and telling moments within major denominations and also in less formal religious movements, he asks how these religious groups have shaped, and been shaped by, some of the most important and divisive issues and events of the last half century: the Cold War, the Civil Rights Movement, the Vietnam War, feminism and the sexual revolution, abortion rights, the antinuclear and environmentalist movements, and many others. Religious Studies Review - Mark Hulsether This is a welcome and much-needed book.

Religion in America Since 1945

First Things speaks with authority and verve. Of late, religion seems to be everywhere, suffusing U. The anthology begins with documents that reflect the close relationship of religion, especially mainline Protestantism, to essential ideas undergirding Cold War America.
