The aim was to create new comedies in tune with the climate of the time—a challenging climate that no doubt created a desire for plays that allowed audiences to unwind yet still explored the major issues of the day.

## 'Kishida Riusei: A Retrospective'

De toenmalige bewoners, de Jomon, gingen grotendeels op in de Yayoi-bevolking. Actualmente a los 59 años, ya retirado de su profesión de educador se dedica a la literatura al 100%.

## Koide

Före denna invandring var Japan redan bebott av ainufolket. Chaque battement est similaire au précédent, pourtant il en est distinct. My paintings coldly reveal me as I am, shattering all my illusions about myself.

## Still

Al no asistir al mismo, no puedo confirmar qué tal estuvo. Le rapport schizophrène de la compagnie à son histoire révèle ultimement le détournement du concept de « tradition » opéré par celle-ci afin de mettre en valeur sa singularité et de conserver sa position hégémonique dans le monde du théâtre féminin. Nagayo Yoshirō 1888-1961 , a writer, playwright and childhood friend of Yanagi, joined Shirakaba in 1911.
