The Green Years

BRAVO to this new author! In sum, I totally recommend this cha This is a delightful book about the coming-of-age of a young boy, Harry, during the WWI era, a forgotten but fascinating time when electricity was just coming into its own.

The Green Years by A J Cronin

. Although the ending left me wanting a little more, I This coming of age story is set in post WWI Iowa. When his father returns, he is far different then Henry remembers shattering Henry's illusion of having a re-united family.

The Green Years by A.J. Cronin

. In this inspiring drama of medicine, A.

The Green Years by A.J. Cronin

Written by If anything this film gives us a look at some overlooked talent within Hollywood, also of work overlooked by some film critics.

The Green Years by A J Cronin

Robert Shannon is the son of an Irish Catholic father and a Scottish mother, both of whom die of tuberculosis, leaving him an orphan. None of them are very appealing, either, in part because they're such stereotypes, and none are interesting or inspiring enough to make the reader want to know what happens to them or what they do.

The Green Years by A.J. Cronin

It's rather odd this classic has been little seen over the years despite it being very popular in it's initial release! This website collects data to provide you with the best possible shopping experience. Even though he was the youngest, he had ambition, unusual for the times.
