**Syncelli, Georgii, Ecloga Chronographica by George Syncellus**

Die Bibliotheca Teubneriana, established in 1849, has evolved into the world's most venerable and extensive series of editions of Greek and Latin literature, ranging from classical to Neo-Latin texts.

MOSSHAMMER, is based on twelve manuscripts and takes into account also the indirect transmission of parts of the text in three later, still inedited Chronicles. As, moreover, several new manuscripts turned up afterwards or indeed were known in DINDORF'S times, but left unused by him, the time was ripe for a new edition.
