Lighting was evenly diffused through large windows with as little shadow as possible. Did you go on Rony's show today? It was here that a number of those who afterwards were in business of various kinds in the village received the greatest help then available for boys in some cases all they ever received.

Sharrow Vale Wesleyan Reform Church

Most of it didn't affect me at all so I wasn't paying attention. Please PM me with details.

Sharrow Lane School

There are some names I remember on Friends Reunited, which I haven't mentioned here! Denton Discipline eased, or maybe habits improved, in 1859, for the fines for late attendance were abolished. Elizabeth Brownhill, Linda Firth, Christine Broadhurst, Pauline Allen, Jennifer Ellis, David Morley, John Warrington, Ian Dean, Stan Rowbotham, Ann Dale, Barbara Childs, Carol Titterton, Jaqueline Foxcroft, Linda Beecroft, Andrew Barson, Trevor Briggs, John Gascoigne, David Jones and Susan Pitts. Our Standards committee ensures that the teaching and learning is of the highest standard possible.

Old Sharrow School to be demolished

I have fond memories of the old school. Understand that spiritual formation is a lifelong endeavor; it requires intentional instruction, modeled behavior, reinforcement from home and open hearts and minds. Lets have your memories please and does anyone know any more details

regarding visiting the school or contacting former pupils there are some excellent photos on friendsreunited of sharrow lane school from the 60's and 70's.
