Historical Context for Confessions by Augustine

So too, how can it be admitted that the scene in the garden, the example of the , the reading of , the of Victorinus, Augustine's ecstasies in reading the with were all invented after the fact? But when he does get to explaining things, he does it wonderfully well! This biography from the late '60s his new edition left the original pretty much intact, and just added a preface and epilogue with information about recent discoveries of sermon texts and letter transcriptions, with the attendant implications in thought , was among the first to situate such a major figure from a The best thing about Peter Brown is that he's an historian writing a biography. This responsibility probably kept a constant strain on the family's finances and may account for Augustine's assertions that his family was poor.

Biography of St. Augustine, the Bishop of Hippo

Pelagius and his were finally in 418, having been condemned by two councils of African bishops in 416 and again at Carthage in 418.

Historical Context for Confessions by Augustine

Informed of their views by , the once more expounded, in , how even these first desires for are due to the , which therefore absolutely controls our.

Augustine Of Hippo: A Biography: Amazon.me.stfw.info.cdn.cloudflare.net: Peter Brown: 9780520228351: Books

This is a question often asked, but we feel that Augustine gave but little thought to such distinctions.

Augustine of Hippo: A Biography by Peter Brown

Augustine reads almost like a novel. The two great controversies of Augustine's life--over Donatism and Pelagianism--stand like pillars on either side of his episcopal ministry, and I realized that prior to this biography I hadn't understood what was at stake in either of them, having approached them through an exclusively theological lens.

CATHOLIC ENCYCLOPEDIA: St. Augustine of Hippo

Once more he began to dream that he and his friends might lead a life dedicated to the search for it, a life purged of all vulgar aspirations after , , or pleasure, and with for its rule. Hollingsworth lines up with Scripture where Augustine does, which is nearly all of the time. Figgis, *The Political Aspects of St.*
