### One More River by Mary Glickman, Paperback

I'll always remember the narrator, a teen girl describing how to cope with the heat - in Israel - she said something like - you've got to enjoy sweating - if you worry about your appearance, you're never going to cope.

### One More River by Galsworthy, John

It was a very good book.

### One More River To Cross

Please Note: This book has been transferred to Between the Covers from another database and might not be described to our usual standards.  
My daddy, he began, was a man of mystery.

### One More River To Cross

It has rarely been revived and has received little attention from critics or historians, except in the context of appreciation of Whale's career. I loved a part about a donkey. Nagyon vonzó számomra, hogy Galsworthy ezt a birodalmi erőzót nem holmi nyavalygásba hempergetve interpretálja, hanem egészséges érdeklődéssel — ami már csak azért is jó, mert ha egy író elveszíti jóindulatú kíváncsiságát a holnap, a változás iránt, akkor általában igen közel kerül a begyöpösödéshez.

### Martin Grams: One More River by Fran Striker

While the view of what it was like to live in Israel during the Six-Day War was interesting, and the communal-type life something that I'd knew very little about, I rather wished the plot had been more fleshed out and that perhaps a more balanced view of the events pictured might have been given. The bugs and leeches were the same, even in number.

### One More River by Mary Glickman, Paperback

I enjoyed the first three books, liked the next three, and find the final three rather annoying.
