### True Story of the Queen's Cousins, Nerissa and Katherine Bowes

Though she detested Liberal Prime Minister William Gladstone, she found ways to work with him, even during her mourning period.

### Before they were royal: The life of the Queen Mother

She died in 2014, but like her life, her death went largely unnoticed. After a Channel 4 documentary on the sisters aired in 2012, she was hurt by suggestions they had been abandoned entirely.

### Before they were royal: The life of the Queen Mother

With the departure of the Duke and Duchess of Sussex from senior royal life, grandson filing from Autumn Phillips, the investigation around and convicted sex offender Jeffrey Epstein, and the upheaval of life during the coronavirus pandemic, the queen has various storms. As it turns out, plenty. Believed to be dead, Nerissa and Katherine Bowes-Lyon have in fact been institutionalized at a psychiatric ward since the early 1940s.

### The Crown: The True Story of Queen Elizabeth's Institutionalized Cousins

Her nephew Timothy was a chronic alcoholic. Some even suggested that the queen should have Katherine live at Buckingham Palace.

### Queen Elizabeth The Queen Mother

A Royal Residence The Queen Mother spent three weeks in August at the castle, returning for about ten days in October each year. It declared that Nerissa had died in 1940, and later that Katherine had died in 1961.

### The Queen's Cousins: Scandal?

The royal was deaf from birth.

### Biography of the Queen Mother

To know that she was taught that from a very young age—we found that fascinating. Their admission to the asylum was also deemed necessary when, in 1923, their aunt Elizabeth married the future King George VI.
