## Land Expropriation and Compensation in Ethiopia: Review

Land reform: revisiting the public versus private ownership controversy. Paper presented at the national workshop on food strategies for Ethiopia.

### ethiopia rural lands administration and use proclamation no.456/2005

No ecologists, agronomists, horticulturalists, economists, or anthropologists were consulted, and no consent from either the resettlers or the host population was solicited.

## Resettlement and villagization in Ethiopia

When it comes to defending the African environment, no person has more expertise or passion than Zenawi who, after all, is the. Compared to other sub-Saharan Africa, Ethiopia has an admirable record of supporting agriculture; the continued state-led policies to boost agricultural production, but understanding of the complex issues involved, evidence-based analysis and policy recommendations, and continuous debate on the pros and cons of alternatives options are required.

## Informal settlements in the peri

However, the tenure system can be understood in a rudimentary way if one examines it in the context of the basic distinction between landownership patterns in the north and those in the south. For instance, tenancy in Begemder and Semien and in Gojjam was estimated at about 2% of holdings.
