**Citizenship and national identity : from colonialism to globalism / editor: T.K. Oommen**

TS Combining both Western and non-Western perspectives, Citizenship and National Identity deftly explores the major problems and issues involved in understanding the relationship between citizenship and national identity in a contemporary context.

## Citizenship and Nationality

In this interview, Sebastian Kohn, the Justice Initiative's expert on statelessness, clarifies how a lack of nationality is devastating to children and why the loopholes denying citizenship must be combated before more children fall victim to the injustices of statelessness. After that, refugees will be deported by force. In this documentary, Al Jazeera investigates the cases of Uzbeks seeking refuge abroad in order to escape the oppressive regime and paints a harrowing picture of torture, detainment and deportation.

## Migration, Identity, & the Colonial Encounter

Critics object to these projects due to a lack of financial compensation and insufficient consultation with indigenous communities. This article highlights how the provisional government in waiting is not demanding Chagossian independence but promoting peaceful co-existence between former inhabitants and the sovereign powers.

## Globalization, National Identity, and Citizenship Education: China's Search for Modernization and a Modern Chinese Citizenry

More than six-in-ten Conservatives 63% believe that a person must share Canadian customs and traditions to be truly Canadian. In particular, the ethnic, linguistic and cultural background of migrants has triggered intense debates over the benefits and the costs of growing and the risk of open borders to national identity.
