Trujillo v. Garley: The Struggle for Native American Voting Rights

The State has the sovereign power to protect its borders more rigorously if it wishes, absent any valid federal prohibition.

(Book) Wards of the United States

Other aspects, however, have stayed the same. State laws not only provided for the removal of unwanted immigrants but also imposed penalties on unlawfully present aliens and those who aided their immigration.

WARDS OF THE UNITED

There is nothing in all this, that does not flow from the rights of domain and sovereignty: every one is obliged to pay respect to the prohibition; and whoever dares violate it, incurs the penalty decreed to render it effectual. This meant that an unwelcome alien could obtain all the rights of a citizen of one State simply by first becoming an inhabitant of another. In the situations that seem most likely to occur, enforcement of §2 B will present familiar questions.

(Book) Wards of the United States

Davidowitz, , 67 1941 emphasis added. A 2013 survey of residential programs for sex trafficking victims found that there are only 33 programs across the United States exclusively for trafficking victims and that 28 states lacked any specialized residential programs Reichert and Sylwestrzak 2013. So the issue is a stark one.
