## **Tales and Poems by Poe, Edgar Allan**

This is a lament, which just happens to include some disturbing elements for emphasis. Introduction to the Book Few writers have pioneered so many forms of escapism as Edgar Allan Poe, and fewer still have sought escape so desperately themselves. I think I will pester everyone I know into reading The Black Cat and The Tell-tale Heart, and a couple of the poems.

## **Fairy Tales, Fables, and Poems**

Again I liked about half of the poems including: Israfel, The Sleeper, Dream-Land, The Raven, A Dream within a Dream, Eldorado.

You'll have to read the story to see how that worked out.

You've probably read the Raven in school, but all of his short stories are amazing. This one seems different from the Poe everyone thinks about when they think of Poe. I really enjoyed it overall.

It was not until Baudelaire enthusiastically translated his work that he found a wider audience in Europe, and became not only an enormous influence on modern French literature but also on the acclaimed work of writers such as Dostoevsky, Conan Doyle and Jules Verne.

## **The Complete Tales and Poems of Edgar Allan Poe**

I found Poe to be a little too intense to read for weeks at a time. I'd like it better if it came to a slower boil, but I suppose that's a matter of taste.

The Conqueror Worm The City in the Sea A Dream Within A Dream — my favorite!!! Och en del humoristiska historier fann jag också.

### **Tales and Poems Of Edgar Allan Poe by Poe, Edgar Allan**

I've read a good portion of his stories and all of his poems, but I tried my best to read ALL of Poe's works, or at least, his lesser known works. He met with some success in 1840, when he released Tales of the Grotesque and Arabesque, including all his stories up to that point. Poe is supposed to be the American father of the mystery novel but his mystery stories weren't all that good.

His skill is beyond compare. Holes is also a book that I read with the class towards the end of 6th grade. Artists who have created paintings, drawings, or illustrations based on Poe or his works, are invited to about featuring your work on this site.
