### Counterfeit World by Judith K. Parker

These figures do not include domestically produced and consumed fake goods, or pirated products being distributed via the Internet. I see this battle between real and imitation at the grocery store. Friends get married, have kids and mysteriously lose your phone number.

### Counterfeit World: Making 'To Live and Die in L.A.' (Video 2003)

I chatted with a friend recently who quit her job.

### Houston Homeland Security Investigations warns to beware of counterfeit World Series tickets, merchandise

The countries most affected by counterfeiting in 2016 were the United States, whose brands or patents were concerned by 24% of the fake products seized, followed by France at 17%, Italy 15%, Switzerland 11% and Germany 9%.

### The Rise of Counterfeiting and Its Effects on Nike

FDA has a global perspective on a safe and secure supply chain. As far back as 2003, the philosopher Nick Bostrom suggested that if you can believe that we might one day be running many simulations from an anthropological point of view to better understand our ancestors and the history of our civilisation, it is logical that we are living in one of them right now.

### Globalism as the Counterfeit World Individuation

### Counterfeit World by Judith K. Parker

An estimated 10%—30% of medicines sold in developing countries are counterfeit. I cannot understand how a person can or wants to be such a fake, perhaps for attention.
