### American Civil War

The federal reburial program represented an extraordinary departure for the United States Government, an indication of the very different sort of nation that had emerged from civil war. Economic impact The Southern economy nearly collapsed during the war. No one sought to document these deaths systematically, and no one has devised a method of undertaking a retrospective count.

### Timeline

First Fredericksburg When the cautious McClellan failed to follow up on Antietam, he was replaced by Maj. The Republicans called for an increase in tariffs in the 1860 election.

### American Civil War

Sherman's army was followed by thousands of freed slaves; there were no major battles along the March.
