Tokitae, as she was originally named, was purchased by Seaquarium veterinarian Dr.

Lolita Podcast on Apple Podcasts

I wonder whether it is only possible to have this view if you have never had your own biological child.

Lolita (term)

Lascivious lewd looks after little Lolita.

Lolita (1997 film)

It was a transgressive love, in that it was a love of the particular aesthetic form that youth takes between the ages of ten and fifteen. They are in control of the lower order mental functions, the basic mechanistic functions upon which everything else depends.

Lolita (1997)

They stay the night in a hotel that is handling an overflow influx of police officers attending a convention.
