## Why Study Religion in the Twenty

Friedrich Hayek, too, regarded political life as compromising individual liberty and the spontaneous order and progress it generates when disciplined hence responsibilized by competition. The key to working smarter may lie in how they approach learning. Statism, policing, and authoritarian power also ramify since walling, policing, and securitization of every kind are authorized by the need to secure this vast expanse of personal, de-regulated freedom.

## Christian Missions in the Third Millennium

The marriage plot starts in with the fairy tales.

## Four Challenges Facing the 21st Century Church

Of these, only Islam understands itself to be on the religio-cultural offensive, even though much of the offense no doubt disguises a deep defensiveness about having been left out of the main story line of world history. Where Isis went, Christianity followed. In the United States, for example, the unaffiliated are projected to grow from an estimated 16% of the total population including children in 2010 to 26% in 2050.

## 21st Century Christian: Publisher and Retailer of Christian Books and Curriculum

However, in addition to violent content, has been regularly challenged for its religious viewpoint, anti-ethnic and anti-family sentiments, and occult or satanic imagery. Freedom conceived as agency, capacity, or sovereignty yields interventions that both limit true freedom and destroy the spontaneous order it generates.
