### Contents : Handbook on Ethnic Minorities in China

Of these, the Zhuang and Buyei have become the most into contemporary predominantly Han culture.

### China and the world: Inside a changing economic relationship

At one time, The Ahom built their house on still called Rwan Huan with about two meters high above the ground level. Dim sum, a breakfast or lunch meal consisting of a combination of different appetizer style delicacies, is popular there.

### Shan

Soon the Satghariya group was expanded—four additional clans began to be associated with nobility: Dihingja, Sandikoi, Lahon and Duarah.

### Minorities of Northern China: A by Henry G. Schwarz

The presence of a community of Jewish immigrants in China is consistent with the history of the Jewish people during the first and second millennia CE, which saw them disperse and settle throughout the Eurasian landmass, with an especially large concentration of settling throughout.

### Shan

Because technology value chains are some of the most complex, they require the most collaboration, and, indeed, China is highly integrated in these value chains with a large share of technology global exports and imports.
