A Brief History Of English Literature, Essay Sample

Prominent papers included Utkal Deepika, Utkal Patra, Utkal Hiteisini from Cuttack, Utkal Darpan and Sambada Vahika from Balasore and Sambalpur Hiteisini from Deogarh. Gurbaksh Singh enriched Punjabi prose through his books and his magazine, Preet Lairi.

Odia literature

Fakirmohan had a unique style of writing novels. I would concur that this well written post has a wonderful range.

History of Oriya Literature (Odia Literature)

In the 14th century, the poet wrote the Sarala Mahabharata, Chandi Purana, and Vilanka Ramayana, in praise of the goddess. His Oriya Mahabharata contained many deviations from and additions to the Original Sanskrit Epic. The foundation of modern Oriya short story was also laid by Fakirmohan in late nineteenth century.

Brief History of Oriya Literature

The old English Literature otherwise known as the Anglo-Saxon was written in between the years 600 and 1100. He was last felicitated by the Sahitya Academy in the year 1998 for his contributions to Odia literature. See our and for details.

A Brief History of Tragedy

It is written in Dandi brutta.

History of American Literature

This was about female education, a sensitive subject a century back. The Panchasakhas were held in high esteem and formed a unique group holding forth Bhakti as the best path to realize God.
