. It is called mana, derived from the name given to it by the inhabitants of Melanesia. I've used this book to prepare lecture material for Adult Continuing Education classes.

The religions of man (1963 edition)

After studying the culture, they believed that Hananim was the residual witness of God. The life of the Pope is a holocaust of love for the human family. It probably fed my inclination to borrow ideas that seemed useful rather than adopting a single belief system.

The religions of man (1965 edition)

It's a quick paperback introduction to the basic tenets of the world's largest religions so I don't think most of the content has become invalidated by the passage of a few years.

The religions of man (1963 edition)

When I was a newcomer to Bangkok in 1989 and in Thai language school I was able to read, study, and use this text to teach advanced English to classes of Buddhist monks studying at the Mahachulalongkornrajavidyalaya Buddhist University of Bangkok.

The Religion of Man

I first read this book in my high school humanities class. His love of religious traditions still shines through.
