### Internally displaced people in Myanmar

United Nations: More than five million people were internally displaced in India due to natural disasters, conflict and violence in 2019, constituting the highest number of new internal displacements in the world during the period followed by the Philippines, Bangladesh and China, according to a UN report. It is well reported that about 130,000 Rohingya have been confined to open-air internally displaced persons IDPs detention camps since 2012. The resource persons were drawn from Government, Academics and legal background.

### Displaced: Kurdistan, Iraq

At the end of 2019, an estimated total of 46 million people were internally displaced by conflict and violence.

### Internally displaced people in Myanmar

Similar situations are also found in the urban centers of many war-torn states throughout Africa: Addis Ababa, Khartoum, Kisangani, Luanda, Maputo and Mogadishu, are a few examples of this type. Over 100 new houses in Ngwe San Pyaw village were transferred to Kachin IDPs in May 2014. However, in late 2005, the Karbi Anglong district witnessed one of the worst and longest spells of ethnic violence of Assam.

## **Reviews of the latest books from and on Southasia**

Dedawan explained that the camp is divided into six sectors. As a result of continuous environmental degradation; flood and river-bank erosion in the plains, and landslide in the hills have become endemic. Throughout the book one can notice the suggestions and clear analysis on the part of the authors in explaining the hard realities of the refugees, IDPs, stateless and economic migrants in South Asia.

## **Over 5 million people internally displaced in India in 2019, says UN report**

The Office will monitor spontaneous returns and continue to prepare for eventual returns, in consultation with the Myanmar authorities and with UNHCR Thailand, which maintains contact with the Thai authorities and refugees along the border.
