Boule De Suif Et Autres Contes Normands by Maupassant

When Boule de Suif gives in and sleeps with the officer, the rest of the travellers throw a party without her, and when the coach finally leaves the next morning, they treat her with utter disgust and contempt although she has freed them and they had induced her to lose her dignity.

Boule de Suif et Autres Contes Normands by Guy de Maupassant

He was a tall, thin, man, with gray, cunning eyes, and thin lips, and wore his hair plastered down on his temples.

Boule de suif et autres contes normands

One would have said of this one that she had just risen out of the sands and that her hair had kept their tint. The two nuns travelling in the coach are at first portrayed as quiet and subservient to God, and later show themselves as fiery, patriotic, and doing more for their country than the other occupants of the coach: the nuns claim to be travelling to a military hospital to treat wounded French soldiers, thus offering the deciding argument towards persuading Boule de Suif to abandon her resistance.

Boule de suif et autres contes normands, Guy De Maupassant, Classiques Garnier, Littérature Romans Poche, 9782812418471 sur le site de la librairie Librairie Marbot

Their native keenness, their instinctive elegance, their flexibility of mind, are their only hierarchy; and these make the daughters of the people the equals of the most lofty dames. Quelques annotations au crayon dans le texte. He is particularly good at exposing the hypocrisies of small-town 19th century French life, the title story of this collection being an excellent example.
