## Muslim Story: Uwais al Qarni

If you can ask him to pray for forgiveness for you then do so. Rasulullah saw menuturkan keistimewaan Uwais di hadapan Allah kepada Umar dan Ali bahwa dihari kiamat nanti, disaat semua orang dibangkitkan kembali, Uwais akan memberikan syafaat kepada sejumlah besar umatnya, sebanyak jumlah domba yang dimiliki Rabbiah dan Mudhar keduanya dikenal karena mempunyai domba yang banyak.

## Uwais Al Qarni (Sufi Generasi Awal)

Let me walk among people without anyone care about me. He said: How is life with a man who, in the morning, thinks that he will not live until evening comes, and in the evening, he thinks that he will not live until morning comes, and he will either be given glad tidings of Paradise or tidings of Hellfire? Indeed, he is the leader of the tabeen. He lives with his mother and he is devoted to her.

## Uways al

May Allah reward you with good and draw you near to Him.

## Biography of Uways al

Bukankah Uwais yang kita kenal, hanyalah seorang fakir yang tak memiliki apa-apa, yang kerjanya hanyalah sebagai penggembala domba dan unta? Meninggalnya Uwais Al Qarni telah menggemparkan masyarakat kota Yaman. He said: Shall I write to the governor for you? Ia hidup bersama ibunya yang telah tua lagi lumpuh.
