Over time the lost wages alone not even considering the wear and tear on my vehicle let alone myself will pay for the unit. I maintain at 2:05 one x per week and my skin is beautifully clear and completely comfortable. It has enabled me to treat my condition at home rather than making a two hour trip to the Doctor 2 to 3 times a week.

100+ Powerful UVB Phototherapy Testimonials

The harmony between true science and Ancient Hebrew is perfect. I saw my dermatologist, and requested a prescription for a topical ointment so that I can use both the light therapy and the ointment together in the treatment of my eczema.

Luca: What Happened to Alberto's Dad?

Within a month I saw dramatic results, quite amazing actually! My doctor will probably have a heart attack when he sees me next! I was blown away I must say.

Luca: What Happened to Alberto's Dad?

It is almost non existent with only an occasional outbreak that is very slight.
