### Cold War 2 (en)

The Cold War began in Eastern Europe and Germany, according to the researchers of the Institute of Contemporary British History Warner 15. It's an engaging format that draws you in.

### Cold War facts and information

Although the larger part of the world lived in poverty and lacked technological progress, the United States and other countries of Western world succeeded in economic development.

### The Cold War

These proceedings resulted from a conference jointly sponsored by the National Archives and Records Administration and the University of Maryland on September 25th and 26th, 1998.

### Cold war

Stalin also tried unsuccessfully to drive French, British, and American occupation forces from the German city of Berlin by blocking highway and railway access. . Seeking to place a greater emphasis on human rights in his foreign policy, Carter angrily denounced the incursion and began to adopt an increasingly hard line with the Soviets.

### Cold War 2 (en)

Khrushchev ended the terrifying Cuban missile crisis when he agreed to remove the missiles in exchange for an end to the blockade. This symbolized the resistance to communists, who were atheists.
