Farce/Standard**

Besides this relationship to Dulness, the general satire of the play is more similar to Gay's than the other works produced by the Scriblerus Club. Hand-List of Plays: 1750-1800 -- i. English Romantic Drama, 1795-1843: A Critical History.

A history of English drama, 1660

The Plays of Henry Fielding: A Critical Study of His Dramatic Career. The 1734 edition of the play was printed in 1750, and it was used for all later publications until 1966. This fictional event mirrors Fielding's own life when and of the Theatre Royal had rejected.

THE BEGINNINGS AND

SIGNIFICANCE OF SENTIMENTAL COMEDY., Anglia

Baltimore: Johns Hopkins University Press, 1975. Although both Tragedy of Tragedies and The Author's Farce were main shows, they were alternated on the billing until the 18 June 1731 performance, which was the final showing of any Fielding play in the Little Theatre except for a 12 May 1732 benefit show of The Author's Farce.

English Comic Drama, 1700

Fielding, like others, believes that there was a decline in popular theatre related to the expansion of the theatre audience so he satirises theatre, theatre audiences, and theatre writers throughout *The Author's Farce*. *The New Comedy of Wit* -- III.

Shows some signs of wear, and may have some markings on the inside.

THE BEGINNINGS AND SIGNIFICANCE OF SENTIMENTAL COMEDY., Anglia

Louise Fothergill-Payne; Peter Fothergill-Payne editor.

English Drama

Eventually, Luckless is able to fix his work and find a theatre willing to put on his show. Bernbaum's *Drama of Sensibility* still remains a classic; in more recent years Professor Allardyce Nicoll has written the history of sentimental comedy in his three volumes *Restoration Drama*, *Early Eighteenth Century Drama*, and *Late Eighteenth Century Drama*, while Mr. Women Playwrights in England, c.
