Marianela (novel)

I was just tricked to read the introduction of my book edition, where in a very short 5 rows paragraph, there was a major spoiler, including the ending.

Marianela Rivera for State Rep

Marianela is a really good book.

Marianela by Benito Pérez Galdós

They may say that it's a story of unrequited love that stands out from all the novels of that era for its realism. El relato —en el que se hallan ya las grandes dicotomías de la obra galdosiana posterior: realidad frente a imaginación, progreso frente a ignorancia, caridad frente a justicia social— extrae buena parte de su fuerza dramática de la figura conmove Publicada en 1878, Marianela es una novela por la que Benito Pérez Galdós 1843-1920 mostró siempre una especial predilección.

Marianela (1940)

However, when a miracle doctor comes to town with the hopes of curing the boy's blindness, the girl is devastated and becomes troubled with the fear of losing the only person that loves her.

Marianela : Pérez Galdós, Benito, 1843

Estos ojos que ahora me permiten la vista y el placer, son los mismo que ahora no me permiten amarte.

Marianela

She and TV host Belen Rodriguez were both born in Buenos Aires. Now, having to do my own translation, as it were, I realize that I cannot match her.

Marianela Nunez Boyfriend 2021: Dating History & Exes

He loved her with sincerity and was able to look past her exterior because of his blindness. So, sentimentally, I am not happy with this book.
