Morocco

Once initiated, the debtor is placed under the supervision of the Court. Since 2002 the fiscal balance has been through three phases: a reduction of the deficit up to 2006, followed by two years with a small surplus and then a countercyclical period since 2009.

Coronavirus in Morocco: Economic and Social Implications

The Government is composed of the Prime Minister and Ministers. The Moroccan government has instituted major reforms and liberalization measures aimed at improving foreign trade and encouraging exoprt.

Economy of Morocco

Major agricultural products include dairy products, meat, fruit, and vegetables, in which Morocco is self-sufficient. Morocco's political climate is stable. However, there are still numerous missing elements: sunroofs, leather seats, instrument panels, foundry, screws, tires, radios and screens.

Social Policy in the Middle East: Economic, Political and Gender Dynamics

The regime still has time and space to rebuild its social contract with the people. As the COVID-19 pandemic shows, this issue has never been more pressing than it is today. Morocco could soon welcome new names in two to three years , such as Toyota and Hyundai, having already shown their interest in the attractive conditions offered.

Morocco: Financial Inclusion and Digital Economy Development Policy Financing

Rigid labor regulations discourage a more dynamic labor market. It was created as a state-owned institution with legal personality and financial autonomy, entrusted with the privilege of issuing banknotes and coins, and the mission of safeguarding the stability of the currency as well as preserving the soundness of the banking system.

Coping with COVID

East Coast, Africa, and the Middle East. Chapters on Algeria, Egypt, Iran, Morocco, Tunisia and Turkey analyse its origins in populist or modernizing state activities, its decline in the era of neoliberalism and prospects for its renewal in a democratizing and development context. It is organized into two Commands, a Northern Zone and a Southern Zone.

Côte d'Ivoire and Morocco: tax reforms for sustainable health financing

In 1975, King announced a 50% increase in investment targets to allow for the effects of inflation. The lower chamber of Parliament may dissolve the government through a vote of no confidence.

Morocco: Financial Inclusion and Digital Economy Development Policy Financing

Morocco is a member of the WTO. Enforcement of a court decision Once all appeal venues have been exhausted, a judgment becomes final and enforceable.
