Mad Hatter's Holiday by Peter Lovesey

Halfway through the book, no one's dead yet. This is the same year he submitted his first novels named Wobble to Death. Albert Moscrop, a visitor whose holiday is dedicated to peering through a telescope at the seaside scene, marches down Queen's Road to the beach and draws us through a sequence of disarmingly trivial observations into a compelling drama, played in the fashionable haunts of the nineteenth-century resort: beach, piers, promenade, swimming bath, aquarium, and Devil's Dyke.

Sergeant Cribb series

Lovesey's restraint, wit, and charming cast ensure him a place in the winner's circle. It is, ultimately, only one element of a much bigger and rather satisfying mystery puzzle. He goes ahead to try and find out the potential motives behind the death.

Mad Hatter's Holiday

Lovesey is a wizard at mixing character-driven comedy with realistic-to-grim suspense. When the woman disappears and a dismembered body is uncovered, he contacts the police. He started his crime writing career in 1969.
