Indian Culture : 16 Unique Culture of India, Customs & Traditions

Science and Technology in Medieval European Life. The ancient Egyptians were among the first groups of people to write and keep records of events that happened in their lives. Two other technologies played an important role in the development of medieval agriculture.

Ancient Egyptian Technology And Inventions

This type of plough eliminated the need for cross-plowing by turning over the furrow instead of merely pushing it outward. He examined the individual as a whole and not just his disease. India at present boasts about 3650 approximately renowned ancient heritage structures and sites of national importance.

Indian Culture : 16 Unique Culture of India, Customs & Traditions

The women in the Bharhut sculptures are shown with hair arranged in a top knot when women wore a turban. While vegetarian food is an integral part of Gujarati South Indian and Rajasthani cuisines, non-vegetarian dishes form a central part of Mughlai, Bengali, North Indian and Punjabi cuisine.

Technology in the Medieval Age

Interaction between Indian and Central Asian Science and Technology in Medieval Times. He described a wheel that he claimed would run forever.
