The Classical Heritage of the Middle Ages

Naturally, no date can be set for the change from quantity to accent and rhyme in Latin poetry. The majority of pages are undamaged with minimal creasing or tearing, minimal pencil underlining of text, no highlighting of text, no writing in margins. Herein were hymns and other religious poems; also poems of a secular character.

Books : the classical heritage of the middle ages by osborn taylor henry

Very minimal damage to the cover including scuff marks, but no holes or tears. Tertullian's writings are so difficult, his use of words is so individual, that the Middle Ages could hardly have understood him.

But his phrases seared themselves into Latin Christendom in the third and fourth centuries, and passed into the language of dogma, and his writings were a store for later Apologists.

The Classical Heritage of the Middle Ages

Through these media he is indirectly influential in the later periods, when his works were no longer read. In fact, there was no period of Anglo-Saxon, Norse, Old German verse depended on the alliteration of strong syllables; it gradually modified its rhythm and adopted rhyme under the influence of Latin and Romance poetry.
