Annual Report of the Executive Board

The recognition expressed therein of possible synergy between public-sector and private sources of funding should therefore also be reflected in the approval criteria laid down in Article 10 of the Regulation. As with the draft report prepared by the rapporteur of the Committee on Regional Policy, Mr Collins, this opinion covers the two Commission legislative proposals included in the Commission document COM 98 130 final and submitted to two different legislative consultative procedures art. It should also be possible to use funding from the Cohesion Fund for nature conservation projects.

Also, it should be possible to suspend funding if it can be established or if there is a firm indication that the required environmental standards have not been attained or that environmental objectives are being neglected. In practice, the implementation of Community structural aid systems will encounter problems ensuing from a lack of institutional mechanisms accompanying reform of the State in the applicant countries. AMENDMENT 3 Paragraph 12 12 Considers that the initial advance to be paid must be properly geared to programming.
