Do you know how effective Shanis Sade Sati and how it works

When Saturn transit into twelfth house it is called as first phase of Sade Sati. Both the actual effects and the severity of the effects will depend on the type of Sade Sati.

Do you know how effective Shanis Sade Sati and how it works

In the First phase of the Sade- Sati when Saturn is well placed the native will see benefic results in all spears of life as major investment in property is seen or we see long term investments which will give major gains once the Sade-Sati is over. Some claim that Shani's transit through the above mentioned signs is inauspicious and is accompanied by trouble and challenges. He signifies money, family, eyes, brothers, and sisters, short journeys, neighbors, etc.
