Gower Handbook of Discrimination at Work

Other studies have considered women who sought medical help in achieving pregnancy. In general, interviewees were young: only 9 per cent was over the age of forty-five.

School of Continuing Education

In other words, the Turco-Napolitano law created an integration model characterized by a strong tendency to civic stratification Morris, 2001 , based on different statuses degrees of citizenship , never definitively acquired and in which regular employment constituted the main rule of transition between the statuses Baubock, 1991; Morris, 2003.

Refugees, Recent Migrants and Employment: Challenging Barriers and Exploring Pathways

Familiar with the topic of networking and inspired by gaps in the academic literature, Nicole embarked upon an investigation of independent networks for business and professional women at the crossroads of feminist and social movement theories.

Women's work pathways: Results from longitudinal survey research

A pink-collar worker is a term for designating the types of jobs in the service industry that are considered to be stereotypically female, such as working as a waitress, nurse, teacher or secretary.

Refugees, Recent Migrants and Employment: Challenging Barriers and Exploring Pathways

Partnership Brokers have responsibilities to students, families and communities, to education providers and for IYLP partner support. In the HSE project, we were unable to determine in advance which language groups would be included, as the sample was to be constructed on the basis of regional, gender and sectoral spread and not on the basis of nationality.

Working women: What determines female labor force participation?

In agency-initiated enquiries, consent to disclose personal information cannot be assumed until it has either been expressly obtained, or can be implied from the client's actions. Some national states have liberalized the employment rights of the spouses of skilled migrants in order to provide a more attractive regime for the latter in context of global talent wars.

Indigenous education (targeted assistance) act 2000 program guidelines 2009 to 2012 final approved by erc 25 05 10

Moreover, the meaning of migration in terms of employability for individuals is not fixed—rather, it may shift at various points during the migration cycle.
