### **The León Cathedral and its stained**

William Willet laid the foundation for a new twentieth century revival when he founded his studio in Philadelphia in 1898. They were fabricated by Abner Stephenson. Even before the French Revolution, the baroque style was associated with vapid royalty.

### **The León Cathedral and its stained**

The next step forward is to create a template, called the cartoon, from the basic design and solidify the finalized design. Josef Albers was doing stained glass at the Bauhaus.

### **Dancing with the Light**

Glass made this way is never fully transparent, but doesn't necessarily have much texture.

### **A Brief History of Stained Glass**

In Protestant Swiss Romand, they engineered a rebirth of Catholic arts.

### **History of Stained Glass**

Carl Geyling's Erben completed numerous stained glass windows for major churches in Vienna and elsewhere, and received an Imperial and Royal Warrant of Appointment from emperor Franz Joseph I of Austria. In addition, the weight per panel was considerable. The oldest existing studio in the country, the J.

### **Stained glass sheds light on 21st century**

In modern windows, copper foil is now sometimes used instead of lead. The other option is bead, which builds upon a seam with more flux and then the solder is run above the joint until a raised line is formed to the desired height.
