Pigeon daintily cocks a foot back in preparation for the delectable first bite of hot dog; the Duckling looks at Pigeon from the corner of his eye with his wingtips folded demurely in the perfect I'm-so-sweet position. The Pigeon Finds a Hot Dog! Those with great academic abilities should be able to use higher level vocabulary when making the inferences 'Pigeon had tasted a hot dog in the past' vs 'Pigeon ate a hot dog'. It also teaches the message of sharing and being selfless, which are important qualities a person can have. I love the pigeon books and never get tired of reading them.
