It is organized in an easy-to-understand format with excellent introductory chapters on each of the three major types of countries studied. He is also Government Liaison at the Alliance for Peacebuilding. The countries discussed are categorized by economic development, helping students hone their skills of comparison, synthesis, and interpretation by studying countries of similar economic status.

**Comparative Politics: Domestic Responses... book by Charles Hauss**

I have copies of other AP Comparative Pol. In summary, a good choice for AP Comparative politics as long as the teacher recognizes the need to

supplement from outside sources where necessary.

**Comparative Politics: Domestic Responses to Global Challenges, AP® Edition**

Balancing theory with application and featuring an engaging, student-friendly writing style, the Ninth Edition of COMPARATIVE POLITICS uses a unique theme-Domestic Responses to Global Challenges-to introduce key concepts and examine the growing interdependence of strong and weak states.
