The journey-hands, or second-hand journeymen, however, worked either directly for the masters in the factories or for the first-hand journeymen, and they were reduced to a lower status than before, a development accentuated by the breakdown of the apprentice system and the introduction of women to the engine-loom trade after the end of the Napoleonic Wars.

John Ruskin

Bray, too, admitted that for the intellectual companions they sought they 'were obliged to go beyond the town'.

Exploring social action: A walk in Bermondsey and Rotherhithe

In 1919 the club secured a place in the 2nd division of the Football League, and has since remained a member of the league. His research had confirmed it as one of the commonest causes of pauperism.

John Ruskin

These two countries were the first to establish widespread provision of public libraries of a type that gave genuine scope for them to function as centres of popular reading. He later returned to Christianity. Naturally enough the journeymen could not usually afford schooling for their children who were employed at an early age in the ribbon industry.
