## Nineteenth

South Carolina had laws making it difficult for an individual to manumit slaves, even his own slave children. The essays address large conceptual issues and offer suggestive close readings of individual texts. Afterward, she left Washington, D.

## 19th Century American Women Authors

The first Hispanic and third woman appointed to the United States Supreme Court, Sonia Sotomayor has become an instant American icon.

## Stories About Women Who Changed The World

They ask such questions as: How do these texts use and misuse the conventions of their time to create new perspectives, forms, and voices? They lived together and had three sons: Archibald, Francis, and John born after his father's death in 1852. Pauline Johnson, and Zitkala-a: A.

## Nineteenth

The topics covered in this book include: literary nationalism and regionalism; Southern and western women writers; tradition and transformation in Native American and Mexican American women authors; race, reform, and sentimentality; disability, sentimentality and femininity; women's economic independence; spirituality and class in African-American women's literature; gender, genre, and feminist discourse; and, women poets and the canon.
